Closing Words

Postlude "Choosing Life," by Philip Glass

Chalice Extinguishing

We extinguish this flame, but not the light of truth, the warmth of community, or the fire of commitment. These we carry in our hearts until we are together again.

Land Acknowledgment: We recognize and acknowledge that we gather today on indigenous land, taken through deception, coercion, and violence. We acknowledge the continued displacement and oppression of Native people and honor their commitments to survival, identity, and the protection of our world.
