

## **RE&E Proposed Changes to the UUCUC Pandemic Reopening Framework**

### **RE&E Program Staff, Leaders, and Volunteers**

All program staff, leaders, and volunteers, regardless of meeting indoors or outdoors, must be fully vaccinated against COVID-19 to work with any children/youth.

### **OPTION 1**

#### **Children/Youth Under Age 5**

Religious Exploration events and classes for children/youth under age 5 take place outside, masked and physically distanced, or online, assuming that most children in that age group are not yet vaccinated. Indoor bathrooms can be used in addition to the portable toilet outside.

#### **Children/Youth Age 5+**

Small events, programs, and classes with no more than 20 fully vaccinated participants (or up to 50% of a room's capacity), including program leaders, volunteers, youth/children, and family members can take place in the building Monday-Sunday. Masks must be worn in the building.

The program leaders, in conjunction with the Religious Exploration staff, are responsible for checking on vaccination status of the group (if not known, ask the Director of Congregational Administration to consult the vaccine registry). Groups of mixed vaccinated and unvaccinated people should meet outside. If the vaccination status of the group is unknown, then the group should meet outside.

### **OPTION 2**

#### **Children/Youth All Ages**

Small events, programs, and classes with no more than 20 fully vaccinated participants (or up to 50% of a room's capacity), including program leaders, volunteers, youth/children, and family members can take place in the building Monday-Sunday. Masks must be worn in the building.

### **Additional Notes (either option)**

- Regardless of meeting inside or outside, the person(s) leading the group will be accountable for maintaining a contact tracing list for each meeting, with (at minimum) first name and phone number. If children and youth under 18 are present, parent/guardian contact information will also be gathered. This list should be provided to Religious Exploration staff as soon as possible.
- The person(s) leading the group will be accountable for reporting those who were in the building with diagnosed cases of Covid-19 as soon as possible to the Coordinator of Religious Exploration and Engagement.
- All meetings must be scheduled with the Office Administrator. No meetings can be booked back-to-back in the same room; there should be a one hour period of non-use between groups.
- Masks are required to be worn when in the building. Children under age 2 are not required to wear masks for safety reasons.
