We kindle this flame,

Honoring the doorways in our souls:

The windows through which we gaze at one another

The balconies where we catch glimpses of sky

The thresholds we stand on this morning

Wondering, hoping, fearing, dreaming.

**\*Closing Hymn #145** “As Tranquil Streams”  
[To the tune of Hymn 410)

As tranquil streams that meet and merge  
And flow as one to meet the sea,  
Our kindred hearts and minds unite  
To build a church that shall be free.

Free from the bonds that bind the mind  
To narrow thought and lifeless creed,  
Free from a social code that fails  
To serve the cause of human need.

A freedom that reveres that past,  
But trusts the dawning future more;  
And bids the soul, in search of truth,  
Adventure boldly and explore.

Prophetic church, the future waits  
Your liberating ministry;  
Go forward in the power of love,  
Proclaim the truth that makes us free.

### **Chalice Extinguishing**

We extinguish this flame, but not the light of truth, the warmth of community, or the fire of commitment. These we carry in our hearts until we are together again.
