Chalice Lighting

**We light this chalice, symbol of our Unitarian Universalist tradition,
To mark out this time together as special and worthy.
A candle is a small thing but one candle, one spark, can light another
And make a real difference, in even the darkest hour.
As it gives its flame to the other its own light increases.
Together may we re-ignite our commitment to the mission of our congregation:
To build community, seek inspiration, promote justice and find peace.**

**I am only one
But still I am one.
I cannot do everything,
But still I can do something.
And because I cannot do everything I will not refuse to do the something that I Can do.**
