

We, the member congregations of the Unitarian Universalist Association, covenant to affirm and promote:

- The inherent worth and dignity of every person;
- Justice, equity, and compassion in human relations;
- Acceptance of one another and encouragement to spiritual growth in our congregations;
- A free and responsible search for truth and meaning;
- The right of conscience and the use of the democratic process within our congregations and in society at large;
- The goal of world community with peace, liberty, and justice for all;
- Respect for the interdependent web of all existence of which we are a part.

Our Worship

During the church year, we meet to worship at 10:15 am. Religious education classes for children and youth, as well as childcare for infants and toddlers, are available during this service. In June, July, and August, we gather together to worship on Sunday mornings in Fellowship Hall. Childcare and one multi-graded elementary class are available in the summer. Summer services are lay-led, and we also have intergenerational services at holidays and other times during the year.

GO SCENT FREE! The smell of perfumes, lotions, and other fragrances are making your friends at church feel ill. To help all of our members and friends feel comfortable at church, please join our UUCUC movement to GO SCENT FREE!! Stop by our table in Fellowship Hall during Social Hour and sign-on as a supporter of our GO SCENT FREE movement and receive a green ribbon to support SCENT FREE UUCUC!

Adult Religious Education. Do you have a great idea for an adult religious education experience? Do you have the ability to facilitate or lead a class for adults? The opportunity for you to share your experience is right around the corner. Michele Grove is coordinating adult and multi-age religious education opportunities for the winter (December, January and February). We hope to provide learning opportunities sponsored by groups and individuals. All winter learning opportunities will be coordinated into one book for easy reference. We hope you will share your ideas and talents with this program. If you wish to discuss this further, reach out to Michele for conversation. Soon she will have a template for designing your class. Deadline for submissions is November 10, 2018.

Religious Education Registration. If you have not registered your child or youth for our religious education program or if you are new here, please do so through this link: <https://uucuc.breezechms.com/form/0aadff>. We ask that everyone registers once a year, so that we have the most up-to-date contact and health information for our participants.
