

FirstSteps Community House Donation & Wish List

We are finally putting the finishing touches on our transitional home. Thanks to your generosity and support we have been able to cover operational costs including staffing at FirstSteps. GoMAD scholars have been busy painting and fixing up the house to make it ready for residents. Our last step is to finally turn this house into a home by gathering furniture, linens, and other supplies. If you, your organization, or church community can contribute to furnishing this home we would be delighted to pick up whatever you can donate.

The scheduled pick-up date is set for Sunday afternoon, November 24th. If this date does not work for you, please let us know.

We ask that donations be in good, near new, or new condition and have noted our preferences for specific items on the list below. For furniture items, we ask that you **please send us pictures** of the items you wish to donate before we pick them up so we can ensure they will meet the spatial and living needs of the home. For other items please send us a description of the item, your phone number and email so we can arrange pickup.

We also have a **special wish list** of bigger items if you're interested in making that kind of gift to FirstSteps. Making sure our residents feel valued is an important first step in helping them transition to life outside of prison. Thank you for all your love and support!

Living Room

(All items in good condition)
